# Teppanyaki 'Chef's Table'

For over 25 years we cultivate an authentic Japanese dining experience known as Teppanyaki. With the use of carefully selected ingredients, our chefs open a world of Japanese cooking ritual. Teppanyaki ('teppan'- iron plate, 'yaki'- grilled) concept stands on three main pillars : exceptionally fresh ingredients, proper equipment and the chef mastery.

Teppanyaki focuses on pure wholesome ingredients complimented by light seasoning. The quality of components – meat, fish and vegetables- needs to meet the highest standards. For example 'the Black Angus' Hosokawa use is from Australia and it's the most famous breed of cattle in the world. With his rich marbling and meat that's perfect in texture and flavour there is nothing that compares. The Japanese way is a5 quality and also not to forget the bluefin tuna, the most prestigious and luxurious fish in the world.

To make sure that the dish is soft inside and crispy outside, the table is heated up to 250-300 degrees. A teppanyaki technique becomes an art in hands of the chef. An outstanding choreography of cutting, turning and flambé ingredients happen right in front of you, ending in a graceful set of elements
